

# A Symposium on Supersymmetry and Gravitation

Organized on the Occasion of the Retirement of

Prof. Rahmi Güven

from

Boğaziçi University

February 17 2006, Friday

At Boğaziçi U., Mathematics Dept., Room TB250

## Program

### Morning Session:

- 10:00      *Opening Remarks*  
10:30      Tekin Dereli, Koç U.  
              *Euler-Poincaré Gravity and a 3-Brane world*  
11:30      Ergin Sezgin, Texas A&M U.  
              *An  $SO(3,1)$  Invariant Solution of Vasiliev Equations*

### Afternoon Session:

- 14:00      Metin Gürses, Bilkent U.  
              *Soliton Surfaces*  
15:00      Ali Kaya, Boğaziçi U.  
              *Superhairs on Black Holes and Black Branes*  
16:00      Nihat Sadık Değer, Boğaziçi U.  
              *Supersymmetric Solutions in 3-Dimensions*

### Organizers:

Tekin Dereli, Koç U.  
Nihat Sadık Değer, Boğaziçi U.
